

## POWERSTOP BRAKE HOSE

### FITMENT & RETURN INFORMATION

- It is the installer's responsibility to ensure the hose lengths are appropriate for their specific application.
- Clutch & Brake Australia is not liable for any parts installed that are unsuitable for the intended use.
- Installed hoses are non-returnable and will not be credited.
- Missing items from the package kit will not qualify for a credit.
- Warranty claims will only be considered if installation was performed by a licensed mechanic or workshop.
  - Any claims must be supported by a receipt/invoice.
  - Full vehicle details must be provided, including images and measurements of vehicle height and suspension droop (full extension travel).
- Warranty Period Specifics
  - Vehicles not used for offroad: 3 years or 60,000 kilometres, whichever comes first.
  - 4WD and AWD vehicles used for offroad: 1 year or 20,000 kilometres, whichever comes first.
  - Taxi and ride-share vehicles: 1 year or 20,000 kilometres, whichever comes first.
